NEW: IMAGE CAPTURE

Now you can capture images of anything that you want to visually link to the attendee, e.g. product colors, styles and ***even attendees themselves!***

Special Features for Lead Retrieval

- Create custom sales lead questions for any exhibitor
- Validate IDs for events requiring permission (seminars, parties, give-aways, restricted or VIP access, etc.)
- [SD PRO](#) scan engine for ultra-fast scanning
- Auto-Next touch free scanning
- Custom Web functionality
- Cloud-hosted database (or host your own)
